Faded

Ghost Beach

I need your eyes
They call me out of the mess
Slowly vending
I only want you tonight
Stay away from the wasteI'm so high, the scars
'Cause everybody's afraid to take chances
But that's not who you are
'offenses
Faded, oh, I'll be faded with you
And I'll be waiting
Just wanna fade into youWe belong to love
We belong in the world of dreaming
You belong in my arms
Far away from the pain you're learning fromYeah, it's pulling hard
And it's gonna be tough
I can never get it all I want
But I can get enough
We can be faded
Oh, I'll be faded with you
I'll be waiting
Just wanna fade into youFaded, oh, I'll be faded with you
And I'll be waiting
Just wanna fade into you
