

You're My Baby

Nightlands

You're my baby, my baby
You're my sweet, sweet child
You're my only love
You're like a baby
Jumping up and down
Ooh, like a baby
I can't put you down
And when you cry
I'll pacify you
Here in my arms
You're safe and warm
You're my baby, ooh baby
You're my sweet, sweet child
You're my only love
You're my baby, ooh baby
You're my sweet, sweet child
You're my only love
You're part of me
And I'm part of you
You're living proof
Of my dream come true
Here in my walls
I will protect you
I'll tell you straight up
Re-educate you in love
You can trust me
You can be all you
Want in front of me
You can pout, you can smile
You don't have to be perfect
'Cause you're perfect
The way that you are
You're my baby, ooh baby
You're my sweet, sweet child
You're my only love
You're my baby, ooh baby
You're my sweet, sweet child
You're my only love
I'll sing to you
