I'll Follow

Fancy Cars & Svrcina

I know you've read between the lines.
I don't want to fight this, I like this.

I shut you out a thousand times.
Almost can't describe it, when we kiss.

Colors ignite, I'm flying tonight
And God I just can't look down.

Scared to death you'd be gone if I hit the ground.

I'm gonna give you every part of me, ah-oh.
I wanna let you in this heart with me, ah-oh.

You fit my broken pieces perfectly, so I'll follow,
I'll follow, I'll follow anyplace you wanna go.

Anyplace you wanna go.
So where you wanna go?

(I'll follow)

Anyplace you wanna go.
So where you wanna go?

(I'll follow)

You kiss my tears away at night.
Trying to erase them, you taste them.

You light me up we're burning bright
And all the world is fading, I'm changing.

Pull me in close, don't ever let go. I'll let your love set me free. Anywhere that you go is where I wanna be.

I'm gonna give you every part of me, ah-oh.
I wanna let you in this heart with me, ah-oh.

You fit my broken pieces perfectly, so I'll follow,
I'll follow, I'll follow anyplace you wanna go.

Anyplace you wanna go.
So where you wanna go?

(I'll follow)

Anyplace you wanna go.
So where you wanna go with me, baby?

I'm gonna give you every part of me, ooh
I wanna let you in, oh.

I'm gonna give you every part of me, ooh
I wanna let you in, oh.

I'm gonna give you every part of me, ah-oh.
I wanna let you in this heart with me, ah-oh.

You fit my broken pieces perfectly, so I'll follow,
I'll follow, I'll follow anyplace you wanna go.

Anyplace you wanna go.
Where you wanna go,
Where you wanna go.

(I'll follow, I'll follow)

Anyplace you wanna go.
So where you wanna go?

Where you wanna go with me, baby?
