Vertigo

Khalid

Are we better off believing
What the ignorance suggests?
I wish living life was easy
But mine has been a mess
They say it comes with the seasons
But the seasons come and go (They go)
I go blurry when I'm thinking
Is it me or vertigo?Criticized, who am I to give up?
And breathing was the reason to live
Sympathize, who am I to give up
Putting on my favorite record?
Are we alive?
Or are we dreaming?
After the ride
Are you living?
Are we alive?
(Riding this, riding in this)
Or are we dreaming?
(Riding this, riding in this)
After the ride
Are you living?
(Riding this, riding in this)I've been better, often broken
I've been battered up and beat
I wish I was more outspoken
But the words are out of reach
Hmm, thought I loved you in the moment
I was happy, I was not
I've been learning, I've been growing
But the worst is yet to come
Criticized, who am I to give up?
And breathing was the reason to live
Sympathize, who am I to give up?
Putting on my favorite recordAre we alive?
Or are we dreaming?
After the ride
Are you living?
Are we alive?
(Riding this, riding in this)
Or are we dreaming?

(Riding this, riding in this)
After the ride
Are you living?
(Riding this, riding in this)Eyes closed, eyes closed
I've been falling with my
Eyes low, eyes low
I've been falling with my
Eyes closed, eyes closed
I've been falling with my
Eyes low, eyes low
I've been falling with my
Eyes closed, eyes closed
I've been falling with my
Eyes low, eyes low
I've been falling with my
(Forgot)
Eyes closed, eyes closed
(Forgot)
I've been falling with my
(Forgot)
Eyes low, eyes lowI've been, I've been, I've been
Eyes closed, eyes closed
I've been falling with my
Eyes low, eyes low
I've been falling with my
Eyes closed, eyes closed
I've been falling with my
Eyes low, eyes low
I've been falling with my
