Million Miles

John Crampton

Crown to the floor, my face to the ground,
Love to the core,
And I cant make no sound
Time just fades,
And I'm lost in your stare.
I'm so amazed.
Why would I go anywhere?
Go anywhere..?
Better is one day with you
Than a million more, a million miles away.
Better is one day with you.
Than a million more, a million miles away.
Better is one day with you,
Than a million more, a million miles away.
I wanna be with you, gotta be with
I wanna be with you, ouoh, oh oh
I wanna be with you, gotta be with
I wanna be with you, ouoh, oh oh oh oh
Ouoh, oh oh oh oh
Ouoh, oh oh oh oh
Ouoh, oh oh
I'm at rest and my strength is in you,
My heart is set.
To journey the trail and love on the truth.
You know I believe
So let your kingdom come.
See the shape in my knees
I'm making space for the one
My beautiful One!
Better is one day with you
Than a million more, a million miles away.
Better is one day with you.
Than a million more, a million miles away.
Better is one day with you,
Than a million more, a million miles away!!

I wanna be with you!
I Gotta be with You!
I wanna be with you, Oh ooh oh!

I wanna be with you,
I gotta be with You!
I wanna be with you, ouoh, oh oh oh oh
Ouoh, oh oh oh oh
Ouoh, oh oh oh oh
Ouoh, oh oh
Who could fault you, for sending us away?
We all have broken hearts, and we all make mistakes
But you showed your right hand, said come with me this way
And I have prepared for you a very special place!
I wanna be with you!
Gotta be with you!
Wanna be with you oh, oh!
I wanna be with you!
I gotta be with you!
I wanna be with you oh, oh!
I wanna be with you.!
I gotta be with you.!
I wanna be with you oh, oh.!
Gotta be.. Gotta be..
Better is one day...
One day, one day.
(Better is One Day With You..)
Than a million more, a million miles away.
Than a million more, a million miles
A thousand miles
A hundred miles, just two miles,
One mile,
One week,
One day!
Its just too far away.!
Its just too far away!!
[Repeat chorus]
