

Little Darling (I Need You) [2016 Remastered]

The Doobie Brothers

It's so hard lovin' you
But I just can't let you go Little darlin', I love you
Little darlin', I need you
Little darlin', I want you
Little darlin', got to have you And if it means givin' up my pride
Oh, I'm gonna give it up, give it up
There's always one who loves more than the other
I don't mind, I don't mind I'm willin' to pay the price
Have your love at any sacrifice Little darlin', I need you
Little darlin', I love you
Little darlin', I want you
Little darlin', got to have you, oh Only my pillow knows how many tears I've cried
Only my heart knows the awful hurt I feel inside
My life is so lonely waitin' for you to love me only
I'm willin', darlin' I'm willin' to pay the price
Have your love at any sacrifice Little darlin', I need you
Little darlin', I want you
Little darlin', I love you
Little darlin', I need you
Little darlin', I want you
Little darlin', got to have you Yeah, there was a time way back in your life
When I was the only one, only one
You'd better let this fool back in
Or you will be the lonely one Oh darlin', I love you
Little darlin' I need you
Little darlin', I love you
Little darlin', I want you Yeah, there was a time way back in your life
When I was the only one
You'd better let this fool back in now
Or you will be the lonely one
Darlin', I love you, little darlin' I need you
