

# nightswimming

Klas

Nightswimming deserves a quiet night  
The photograph on the dashboard taken years ago  
Turned around backwards so the windshield shows  
Every streetlight reveals a picture in reverse  
Still it's so much clearer, I forgot my shirt  
At the water's edge, the moon is low tonight  
Nightswimming deserves a quiet night  
I'm not sure all these people understand  
It's not like years ago, the fear of getting caught  
The recklessness and water, they cannot see me naked  
These things they go away, replaced by every day

Nightswimming, remembering that night  
September's coming soon, I'm pining for the moon  
And what if there were two side by side in orbit  
Around the fairest sun, that bright, tight, forever drum  
Could not describe nightswimming  
You, I thought I knew you, you I cannot judge  
You, I thought you knew me, this one laughing quietly  
Underneath my breath, nightswimming  
The photograph reflects, every streetlight a reminder  
Nightswimming, deserves a quiet night  
Deserves a quiet night
