Puritania

Dimmu Borgir

We do away with your kind
Countdown to exterminate the human race
4, 3, 2, 1Let chaos entwine
On defenseless soil
Remove errors of man
And sweep all the weakening kindI am war, I am pain
I am all you've ever slain
I am tears in your eyes
I am grief, I am liesBygone are tolerance
And presence of grace
Scavengers are set out
To cleanse the human filth paradeI am pure, I am true
I am all over you
I am laugh, I am smile
I am the earth defiledI am the cosmic storms
I am the tiny worms
I am fear in the night
I am bringer of the lightEarth successfully erased.
