

Oh Yeah (feat. Snoop Dogg)

Jaicko

Yeah

(Ha, ha)

Oh yeah, oh yeah, oh yeah Get out of bed, look in the mirror, oh yeah

Fresh kicks out the box, oh yeah

Fitted cap to match, oh yeah, oh yeah, oh yeah

Posted on the block, girls screaming, oh yeah

Tap to my fellas on the corner, oh yeah

Gyro from bodega, tastes good, oh yeah, oh yeah Then I peep to little miss muffin', fresh out the oven

Can I take a bite? 'Cause you look so scrumptious

Voluptuous, I'm loving it

Now you've got me singing, oh yeah Now I bet you I can sell a million singing, oh yeah, oh yeah

In the club, in the hood, in the building singing, oh yeah, oh yeah

You don't even know why you're turning up your radio

Bobbin' your head in your car 'cause you feel me though

Don't be mad 'cause I got you singing, oh yeah, oh yeah

Singing with me, oh yeah I know this song a little annoying, oh yeah

But now I'm making' dollars, so I really don't care

Now I got the whole world singing, oh yeah, oh yeah, oh yeah

Say it in Spanish, it's the same, oh yeah

Now I can hear your ring tone playing, oh yeah

This gonna be my claim to fame, oh yeah, oh yeah Can I get a little miss muffin' fresh out the oven

Can I take a bite? 'Cause you look so scrumptious

Voluptuous, I'm loving' it

Now you got me singing, oh yeah Now I bet you I can sell a million singing, oh yeah, oh yeah

In the club, in the hood, in the building singing, oh yeah, oh yeah

You don't even know why you're turning up your radio

Bobbin' your head in your car 'cause you feel me though

Don't be mad 'cause I got you singing, oh yeah, oh yeah

Singing with me, oh yeah If you're up on your game and you've been hustling for days

Don't let nobody stop you, just say

Say it with me, oh yeah, with me, oh yeah

See our haters just wave 'cause you've been hustling for days

Don't let nobody stop you, just say

Say it with me, oh yeah, with me, oh yeah Now I bet you I can sell a million singing, oh yeah, oh yeah

In the club, in the hood, in the building singing, oh yeah, oh yeah

You don't even know why you're turning up your radio

Bobbin' your head in your car 'cause you feel me though

Don't be mad 'cause I got you singing oh yeah, oh yeah

Singing with me, oh yeah Now I bet you I can sell a million singing, oh yeah, oh yeah

In the club, in the hood, in the building singing, oh yeah, oh yeah
You don't even know why you're turning up your radio
Bobbin' your head in your car 'cause you feel me though
Don't be mad 'cause I got you singing oh yeah, oh yeah
Singing with me, oh yeah
