

The Truth (Feat. Illmaculate & Sapient)

Bliss n Eso

She gets up with her head swung down low down
Steps into the room
Please listen while I sing my song to you
'Cuz it all slips away, it ends too soonHow in the hell did I get here
Let me tell you all why I sing the blues
Been in a daze for ten years
But I still can sing the truthHeaven knows where we all go
All we have is what we get
When it's gone when will I know
Because I haven't got it yetShe's swayin' to the swing of the music
Her arms wave in the air
She turns her head, our eyes make contact
It lets me knowHow the hell did I get here
Let me tell you all why I sing the blues
Been in a daze for ten years
But I still can sing the truthHeaven knows where we all go
All we have is what we get
When it's gone when will I know
Because I haven't got it yetDid you find that ride? Did you finally fly?While I sit here kickin' and bitchin'
Sayin' gimme gimme gimme
Gimme what's mineI thought I had it all, I wanted more
No need for you, I slammed the door
I cut you loose
What are the chances that I'd walk in here
And find the truth...
