See Line Woman

Ollabelle

See line woman
She drink coffee
She drinks tea
And then go homeSee line woman
Way down you're done
Behind the lock
And the rooster croaksAnd then go home
And then go homeSee line woman
Black dress on
For a thousand dollars
She wails, she moansAnd then go homeSee line woman
Dressed in green
Wear silk stockings
With golden seamsAnd then go home
And then go home
And then go homeEmpty his pockets
Wreck his days
Make him love her
And he flies awayHe flies away
He flies away
He flies awaySee line
See line
See line
See lineWiggle, wiggle
Turn like a cat
Wink at a man
And he wink backSee line woman
Way down you're done
Behind the lock
And the rooster croaksAnd then go home
And then go home
And then go home
