

# Kaboom (feat Kalenna)

## Lady Gaga

Do you feel like you ever want  
To try my love and see how well it fits  
Baby can't you see, when you look at me  
I can't kick this feeling when it hitsOh, all alone in my bed at night  
I grab my pillow and squeeze it tight  
I think of you  
And I dream of you all of the timeWhat am I gonna do  
I want your love, I want your love  
(You know I want your love  
You know I need your love)  
I want your love, I want your love  
(You know I want your love  
You know I need your love)  
I'll share my dreams  
And make you see  
How really bad  
Your love I need  
I want your love, I need your love  
Just like the birds in the sky above  
I'll share my dreams  
And make you see  
How really badYour love I need  
I'll share my dreams  
And make you see  
How really bad  
Your love I need  
I want your love, I want your love  
(You know I want your love  
You know I need your love)  
I want your love, I want your love  
(You know I want your love  
You know I need your love)  
I want your love, I want your love  
(You know I want your love  
You know I need your love)  
I want your love, I want your love  
I want your love, I want your love  
(You know I want your love  
You know I need your love)  
I want your love, I want your love  
(You know I want your love  
You know I need your love)  
(You know I want your loveYou know I need your love)I want your love, I want your love  
You know I want your love  
You know I need your love

You know I want your love You know I need your love

You know I want your love

You know I need your love

You know I want your love

You know I need your love

You know I want your love

You know I need your love

You know I want your love

You know I need your love

You know I want your love

I want your love, I want your love
