

I Wish You Love

[Nancy Wilson](#)

Goodbye, No use leading with our chins,
This is where our story ends,
Never lovers, ever friends. Goodbye, Let our hearts call it a day,
But before you walk away,
I sincerely want to say: I wish you bluebirds in the Spring,
To give your heart a song to sing;
And then a kiss, but more than this I wish you love. And in July, a lemonade,
To cool you in some leafy glade;
I wish you health and more than wealth, I wish you love.
My breaking heart and I agree
That you and I could never be,
So with my best, my very best, I set you free. I wish you shelter from the storm,
A cozy fire to keep you warm;
But most of all, when snowflakes fall,
I wish you love. I wish you bluebirds in the Spring,
To give your heart a song to sing;
And then a kiss, but more than this I wish you love. And in July, a lemonade,
To cool you in some leafy glade;
I wish you health and more than wealth, I wish you love.
My breaking heart and I agree
That you and I could never be,
So with my best, my very best, I set you free. I wish you shelter from the storm,
A cozy fire to keep you warm;
But most of all, when snowflakes fall,
I wish you love.
