

The Cage

Sonata Arctica

The Cage

(Tony Kakko)

A lifetime ago, with frozen eyes they closed the door

Suddenly I realised what locks are for

No trusting them anymore, Lights - are - out Empty the stare, innocent and unaware,

Dragged out from my home, my lair

Earmarked me, hurt me, burned me The walls around me, eyes surround me, feed my fear again

I must be freed or I will die before the harvest moon, my friend

I do not have another year in me, you've gotta set me free.. The Dream is alive, I can run up the hills every night,

Go around and see another side of the tree

Freedom has a meaning for me, howl with me Fear in the dark, I advice you

can't see the eyes, the glow behind you

... it's my song they now sing to you

You stand no chance... They'll kill for me, steal back my freedom, set me free,

It's my minions vs. thee

Fiery the vengeance, hate will drain me The walls around me, eyes surround me, feed my fear again

I must be freed or I will die before the harvest moon, my friend

I do not have another year in me, you've gotta set me free.. The Dream is alive, I can run up the hills every night,

Go around and see another side of the tree

All I want is to be untamed and free, howl and (dream) The dream is alive, with the moon on the hills every night,

Run around and see another side of the dream

Freedom has a meaning for me, you can't tame me... You will remember the day you crossed my path

Leave me without a guard and you feel my wrath

What you have done to me has made me bitter and cruel

I'll see that all the hate you spread returns to you, you, back to you... The walls around me, eyes surround me, feed my fear again

I must be freed or I will die before the harvest moon, my friend

I do not have another year in me, you've gotta set me free..
