LoveSick Day

Daniel Skye

Keep giving me more
Tell me your story
I wanna know everything
Where you grew up
Songs that you love and all the stuff in between
Where did you get your beautiful hair
And the scar above your knee
I wanna know everything, everythingThe sun is sneaking in through the camellias
Hear me out 'cause I've got an ideaLet's take a lovesick day
We'll keep the world away
Nowhere I want to be but here with you
Let's take a lovesick day
Ditch all your plans and say,
