

# Nobody's Lonely Tonight

## Moneybrother

It's getting late and they want us to leave  
You know by the way they stare  
And girl just a word from you  
And we'll be right out of here

Girl you're right, I can't keep my hands from you  
Tonight, I know that you don't want me to

You could tell by the way that we talk  
We both know how this will end  
It's true it won't really be love  
And yeah girl, we'll both pretend

Girl you're right, I can't keep my hands from you  
Tonight, I know that you don't want me to

It just seems that nobody's alone tonight  
Nobody's lonely but me  
Everybody's asleep in somebody's arms  
Come on and put yours around me

And girl you're completely right, I can't keep my hands from you  
Tonight, I know that you don't want me to
