

Greatness (Feat. Jermayne)

Chris Brown

[Chris Brown]
You see what I'm sitting on
The strip we sitting on
These right in front of the club
Shawty what you sippin` on
You see me gettin` grown
So baby just show me some love[T-Pain]
Yeah I want a girl like you
I can tell that youre looking for a dude like me
When you smell what I'm cookin`
Let me know if you wanna ride[Chris Brown]
Cause I aint got nobody on my passenger sideBaby I'm just hitting on ya
I wanna get to know ya
I dont wanna waste your time
And I'mma keep it real with ya
I wanna deal with ya
Even if its for one night[T-Pain]
Baby I want a girl like you
I can tell that youre looking for a dude like me
When you smell what I'm cookin`[Chris Brown]
I came to have some fun
I'll be on the dancefloor whenever you done[T-Pain]
Shawty you the one[Chorus]
I got to get ya
Got to get with ya
I can do this [for a month or two girl]
I got the plan
The beach with the sand
And you got the man [right in front of you girl]
And you movin` to the left, movin` to the right
You make me say wooh-oh [4x][Tpain]
Now Shake ya body
Shake it[6x]
Shake ya body
Shake it [5x]
STOP!
Uh Oh
Keep goin!
Shake ya body

Shake it[6x]
Shake ya body
Shake it [6x][T-Pain]
Shawty what it is 'bout
That we can hit the door
Right into the Masserati
I know you are superfine
You got dem superthighs
I'mma need a SUV[Chris Brown]
Girl I got my city on lock
If you're messin` with me
You gon` end up at top
And it wont stop
Baby tell me what you wanna see[T-Pain]
Cause you aint never met a dude as freaky as me
Girl I see dem hatin` on ya
Just keep on skatin` on `em
Now and later gaters on your feet
I got what you waiting for
Girl I'mma take you home and let you go crazy on me[Chris Brown]
Girl I got my city on lock
If you're messin` with me
You gon` end up on top[T-Pain]
I came to have some fun
I'll be outside in the car when you done[Chris Brown]
Shorty you the one[Chorus]
I got to get ya
Got to get with ya
I can do this [for a month or two girl]
I got the plan
The beach with the sand
And you got the man [right in front of you girl]
And you movin` to the left, movin` to the right
You make me say wooh-oh wooh-oh wooh-oh wooh-oh[Chris Brown]
Now Shake ya body
Shake it,[x6]
Shake ya body
Shake it [x4]
