

Out Of The Blue

Johnny Reid

Getting through the house of lows
And learning how to just let go
Sometimes that pot of gold comes
Right out of the blue If a bucket of love is what you find
It's up to you to pass it down
What goes around always comes around
Right out of the blue Na na na na na na na
Na na na na na na na
Na na na na na na na
Right
Out of the blue Sometimes it's hard to see
The forest for the trees
We're given all we need
Right out of the blue If you feel love has passed you by
Don't give up now don't you cry
Life can turn on a dime
Right out of the blue Na na na na na na na
Na na na na na na na
Na na na na na na na
Right
Out of the blue Getting through the house of lows
And learning how to just let go
Sometimes that pot of gold comes
Right out of the blue Everybody sing
Na na na na na na na
Na na na na na na na
Na na na na na na na
Right
Out of the blue Everybody sing
Na na na na na na na
Na na na na na na na
Na na na na na na na
Right
Out of the blue
