

Garden Party

John Fogerty

I went to a garden party to reminisce with my old friends
A chance to share old memories and play our songs again
When I got to the garden party, they all knew my name
No one recognized me, I didn't look the same
But it's all right now, I learned my lesson well
See you can't please everyone so you got to please yourself
People came from miles around, everyone was there
Yoko brought her walrus, there was magic in the air
And over in the corner much to my surprise
Mr. Hughes hid in Dylan's shoes wearing his disguise
But it's all right now, I learned my lesson well
See you can't please everyone so you got to please yourself
Played them all the old songs, thought that's why
they came
No one heard the music, we didn't look the same
I said, hello to Mary Lou, she belongs to me
When I sang a song about a honky tonk it was time to leave
But it's all right now, I learned my lesson well
See you can't please everyone so you got to please yourself
Someone opened up a closet door and out stepped
Johnny B. Goode
Playing guitar like a-ringin' a bell and lookin' like he should
If you gotta play at garden parties I wish you a lotta luck
But if memories were all I sang I'd rather drive a truck
But it's all right now, I learned my lesson well
See you can't please everyone so you got to please yourself
But it's all right now, I learned my lesson well
See you can't please everyone so you got to please yourself
