

The Reason Is You (One On One)

Samantha Fox

Run, run baby, run, run
I don't wanna lose you
Run, run baby, run, run
I don't wanna lose you
Run, run baby, run, run
The reason is you You said that everything is alright
Stop coming on strong
In the middle of the night
I need you right beside me
You were meant for me In my dreams, I see it clearly
Just you and me
Show me the way to heaven
This love will always be One on one
Let's get it on get it on baby
This could be
Ya, giving me ecstasy baby Run, run baby, run, run
I don't wanna lose you
Run, run baby, run, run
I don't wanna lose you
Run, run baby, run, run
The reason is you You said that everything is alright
Stop coming on strong
In the middle of the night
I need you right beside me
You were meant for me Each time I think of you
My head's in a spin
Take me now and show me
The real thing
Forever love will always win
