

Time of the Assassins (Live Sunset Sound Session)

Charlotte Gainsbourg

I walk in a line
I see where I'm goin'
I turn inside out
The days that I've known I face to myself
And give up the ghost
I turn in my mind
What time already knows In the time of the assassins they say "Hallelujah"
It doesn't take a miracle to raise a heart from the dead I sift through the ash
I look for a sign
I open the wound
That keeps me in line The shoulder that turns
The flame that goes out
The chapter I close
There's no point to it now In the time of the assassins they say "Hallelujah"
It doesn't take a miracle to raise a heart from the dead And can something changed
And still feel the same
The beginning's the end
I start all over again In the time of the assassins they say "Hallelujah"
It doesn't take a miracle to raise a heart from the dead
