High On Love

Class Actress

I can't get you out my head
And I can't get you next to me
My life's like it's 4 A.M
And I can't ever sleepYou prey on me
Then you pull me in
Is it fantasy when I feel your skin?Now I'm high on your love
And I just can't get high enough
I can't take too much
So baby come and give it up
What is it that feels so good?
But hurts me stronger than you think
Baby I won't fight you off
I'm suffering way too deepSo prey on me
Then pull me in
It's fantasy when you touch my skinNow I'm high on your love
And I just can't get high enough
I can't take too much
So baby come and give it upGet me high-igh
High on love and never come back down
Turn me over, turn me up, come and turn me on
Now I'm high on your love
And I just can't get high enough
I can't take too much
So baby come and give it up
