

# Royal Blue

Milo Greene

Royal blue, you paced  
Taper jeans, weathered sleeves  
This is not for me  
This is not for me As you were into bed  
Take the thoughts in your head  
This is not for me  
This is not for me I'm the spell, under eyes  
Tend to ease while I sacrifice  
This is not for me  
No, no, not for me What I give ain't for long  
Color cheeks so far gone  
You are not for me  
No, no, not for me Oh, wicked world  
You've mistaken me for love  
Take all the air out of my lungs  
I was never young  
I was never young Oh, wicked world  
You've mistaken me for love  
Take all the air out of my lungs  
I was never young  
I was never young  
I was, I was
