

It Is Well

Mary Mary

It is well with me
It is well with me
It is well with me
It is well, it is well with my soul Love interrupted by tragedy
What would my life be like now
I do know that I can handle it
If it's what you have allowed It is well with me
It is well with me
It is well with me
It is well, it is well with my soul My heart's been broken into pieces
And I've had more than my share of pain
Still I believe that all things will work out for my good
So while in my storm I'll proudly proclaim that It is well with me
It is well with me
(Oh, Lord, it, ooh, yes, it is, yes it is, yes, it is)
It is well with me
(Oh, my Lord, I trust You, Lord, I believe You
Lord, I rest in You, Lord, it is well)
It is well, it is well with my soul (Oh, it is well, it may hurt sometimes, Lord, I know)
It is well, it is well with my soul
(Oh, it is well, yes, it is well
It is well, it is well, oh, with my soul) It is well, it is well with my soul
(It is well, yes it is well, with my
With my soul, oh, oh, my soul)
