O Holy Night

Nat King Cole

O holy night, the stars are brightly shining

It is the night of the dear Savior's birth

Long lay the world in sin and error pining

Til He appeared and the soul felt its worthThe thrill of hope, the weary world rejoices

For yonder breaks a new and glorious morn

Fall on your knees, oh, hear the angel voices

O night divine, O night when Christ was bornO night divine

O night

O night divineFall on your knees

Oh, hear the angel voices

O night divine, O night when Christ was bornO night divine

O night

O night divine
