Even if I have to sit wit the fellas  
At the round table and come up on a plot, some how I

There's nothing I won't do for you baby,  
Having big dreams that we ridin' in the Bentley Continental,  
While me copping you a cute lil' Mercedes  
And I know I got the block hot,  
But until I make happening for you baby I will not stop

Visions of your hair blowin' in the wind from my drop top  
(Like a baller, like a true shot caller)  
The homie Trey Songz tippin'  
All day long get me high too,  
Makin' that money for the family  
(Can I get up with ya its that nigga named Twista)  
Come and take a lil' cruise with a Jeep,  
Threw the Chi-town streets cause you feeling me up on the inspiration whenever I'm  
Looking at you day after
