Lay It On Me

Vance Joy

I'm so gone
Anyone could see that I'm wasted
You cut through
And I just wanna know what's in your headWrite it on a piece of paper, honey
Put it in my coat before I go
Hidden in a place you know I'll find it
Later when I'm sitting all aloneLet me in
Everything starts at your skin, so new
Your love's always finding me out
Who am I kidding?
If all my defences come down, oh babyWill you lay it all on me now?
Lay it all on me now
Lay it all on me now
Lay it all on me now
Snow comes down, everything is new and different
I found you hidden in plain sight, why'd I take so long?
Write it on a piece of paper, honey
Put it in my coat before I goLet me in
Everything starts at your skin, so new
Your love's always finding me out
Who am I kidding?
If all my defences come down, oh babyWill you lay it all on me now?
Lay it all on me now
Lay it all on me now
Lay it all on me now
Lay it all on me nowYour love's always finding me out
Who am I kidding?
If all my defences come down, oh baby
Will you lay it all on me now?
Lay it all on me now
Lay it all on me now
Lay it all on me now
Lay it all on me now
