Roll 'Em Pete

Mildred Anderson

Well, I got a gal, she lives up on the hill
Well, I got a gal, she lives up on the hill
Well, this woman's tryin' to quit me, Lord, but I love her stillShe's got eyes like diamonds, they shine like Klondike gold
She's got eyes like diamonds, they shine like Klondike gold
Every time she loves me, she sends my mellow soulWell, you're so beautiful, you've got to die someday
Well, you're so beautiful, you've got to die someday
All I want's a little loving, just before you pass awayPretty baby, I'm goin' away and leave you by yourself
Pretty baby, I'm goin' away and leave you by yourself
You've mistreated me, now you can mistreat somebody else
