

Dirty Dawg

New Kids On the Block

You should have treated me right
But you left me lonely and cold at night
Since you wont, someone will
Treat me better and be for real If you didnt want it, you should-a let me know
But since you didnt want it, then girl you got to go
You left me sad and lonely and ran away from home
So since Im not your only then go and fetch your bone Dawg, dirty dawg, dawg, dirty dawg
Dawg, ooh, youre a dirty, dirty
Dawg, dirty dawg, dawg, dirty dawg
Dawg, oh, youre sow damn dirty I gave you all that I can
'Til I caught you swingin with another man
But this time you strayed too far
Now you come beggin like the dog you are If you didnt want it, you shoulda let me know
But since you didnt want it then girl you got to go
Dont think that you can play me and jerk me all around
You used to be ma baby, now your ass is in the pound Dawg, dirty dawg, dawg, dirty dawg
Oohh, youre a dirty, dirty
Dawg, dirty dawg, dawg, dirty dawg
Oh, youre so damn dirty Yo, yo, why you wanna act like a tramp
A wet food stamp
I think, its time for me to break camp
Had a crush on my man the first time we met Now what you see is what you get
Lost more than a mil on a gambling bet
So heres the chuck wagon for the dog in you
Heres the kennel ration and the alpo too Now you know, I didnt want her
She tried to back me on a corner, told her
Blow the horn like little jack horner
Forever forbidden, the fast girls in life
The fast cars they call 'em kittens Theyve been known to amaze
But they cant pull one over me
I got game for days
Save the sap rap for the handicapped
Ive been around the block and I didnt
Fall for the trimmed trap Dawg, dirty dawg, dawg, dirty dawg
Oohh, youre a dirty, dirty
Dawg, dirty dawg, dawg, dirty dawg
Oh, youre so damn dirty
