

Unclean

Amen

I got solution, I got the grip
I got to change, I've got the sickness
Lusting face, green and red
The cash is burning holes in my headThis is the murder train
This is the murder train
Powered on fallen, I want to feel
Lived falling uncleanRats in paradise
Rats in paradiseI got solution, I got the grip
I've got to change, I've gotta get sick
Positive for all to feel
These lives fallen, unclean, cleanI am unclean
Take it up the backside, unclean
I am unclean
Take it up the backside, uncleanRats in paradise
Rats in paradiseDid you wanna grow up?
Did you want to grow up?
Grow up, grow up, grow up, grow up
Turn or burnI am unclean
Take it up the backside, unclean
I am unclean, I am unclean
You're not a whoreYou're not a whore
You're not a whore
You're not
I am unclean
