

She's A Sleestak

Nerf Herder

The whispers in the hall never bother her at all
Or the laughter from the boys in the gymnasium
Frauline Mueller is alarmed at the scratches on her arm
And the german homework is late again, oh no
She's a Sleestak
She's a Sleestak
She's a Sleestak

She's a Sleestak
The neighbors are concerned about the bruises and the burns
And the seaweed smell that comes in from the rain
And there's something wrong with the Johnson's lawn
And someone says, "Honey, have you seen the cats today?"
She's a Sleestak
She's a Sleestak
She's a Sleestak

She's a Sleestak
These are the monsters that sleep within your minds
Ich darf nicht essen die toten katzen
Ich darf nicht trinken the blute aus der hamstern
Ich darf nicht essen die toten katzen
Ich darf nicht trinken the blute aus der hamstern
Ich darf nicht essen die toten katzen
Ich darf nicht trinken the blute aus der hamstern
Ich darf nicht essen die toten katzen
Ich darf nicht trinken the blute aus der hamstern
She's a Sleestak
She's a Sleestak
She's a Sleestak
She's a Sleestak
These are the monsters that sleep within your minds
God, help me
