

Red Light Indicates Doors Are Secured

Arctic Monkeys

Well ask if we can have six in
If not we'll have to have two
Well you're comin up our end aren't you?
So I'll get one with you Oh won't he let us have six in?
Especially not with the food
He coulda just told us no though
He didnt have to be rude You see her in the green dress?
She talked to me at the bar
Well how come its already two pound fifty?
We've only gone about a yard Didnt ya see she were gorgeous?
She was beyond belief
But this lad at the side, drinkin his Smirnoff Ice
Came and paid for her tropical reef And I'm sitting going backwards
And I didn't want to leave
I said its high green mate
Via Hillsborough please Well how funny was that sketch earlier?
Up near that taxi rank
Oh no you would have missed it
Think it was when you went to the bank These two lads squaring up, proper shoutin
Bout who was next in the queue
The kind of thing that would seem so silly
But not when they've both had a few Well calm down temper temper
You shouldnt get so annoyed
Well youre actin like a silly little boy Oh they wanted to be men
And do some fightin in the street
Said, no surrender, no chance of retreat! So hidin in the taxi
Cause I didn't want to leave
I said its high green mate
Via Hillsborough please Well drunken plots hatched to jump it
Ask around, are ya sure?
Went for it but the red light was showin
And the red light indicates doors are secured
