## **Red Light Indicates Doors Are Secured**

## **Arctic Monkeys**

Well ask if we can have six in If not we'll have to have two

Well you're comin up our end aren't you?

So I'll get one with youOh won't he let us have six in?

Especially not with the food

He coulda just told us no though

He didnt have to be rudeYou see her in the green dress?

She talked to me at the bar

Well how come its already two pound fifty?

We've only gone about a yardDidnt ya see she were gorgeous?

She was beyond belief

But this lad at the side, drinkin his Smirnoff Ice

Came and paid for her tropical reefAnd I'm sitting going backwards

And I didn't want to leave

I said its high green mate

Via Hillsborough pleaseWell how funny was that sketch earlier?

Up near that taxi rank

Oh no you would have missed it

Think it was when you went to the bankThese two lads squaring up, proper shoutin

Bout who was next in the queue

The kind of thing that would seem so silly

But not when they've both had a fewWell calm down temper temper

You shouldnt get so annoyed

Well youre actin like a silly little boyOh they wanted to be men

And do some fightin in the street

Said, no surrender, no chance of retreat! So hidin in the taxi

Cause I didn't want to leave

I said its high green mate

Via Hillsborough pleaseWell drunken plots hatched to jump it

Ask around, are ya sure?

Went for it but the red light was showin

And the red light indicates doors are secured
