Break Free

Patrick Park

I'm sitting here wonderin' if I'll ever breathe again,
cause all of the air is gone from the room
and the space I carved out for the hurt and the doubt
is overflowing and will fill me up soon...(1) Oh sweet heart you know that I love you the best,
and i would do anything that ask me..
but the dark is strong, I feel it comin' on
and I don't know if I'll ever break free..Relax, relax, it ain't come to that-
its just this weight I've got up on my chest
and goodness knows, that though it comes and it goes
each time it does it leaves me with angstOh sweet heart you know that I love you the best
and I would do anything that you ask me
but the dark is bold, I feel it taking hold
and I don't know if I'll ever break freerepeat (1)
