A Certain Smile

Cyril Stapleton

A certain smile
A certain face
Can lead an unsuspecting heart on a merry chaseA fleeting glance
Can say so many lovely things
Suddenly you'll know why my heart singsYou love awhile
And when love goes
You try to hide the tears inside with a cheerful poseBut in the hush of night
Exactly like a bittersweet refrain
Comes that certain smile to haunt your heart againBut in the hush of night
Exactly like a bittersweet refrain
Comes that certain smile to haunt your heart again
