

# Tip of My Tongue

## Diesel

Tonight's the night I'm gonna  
Make my true confession  
Got my courage up There's nothing that can keep me down now  
My words get tangled up in good intentions  
But I know what my heart wants to say, hey I've got to let you know  
For worse or for better  
There's a hundred ways that I could show you  
But it wouldn't matter It's time to tell you  
And I'll try to keep it simple  
I know what you want to hear  
Why do I forget every time you get near? Right on the tip of my tongue  
Right on the tip of my tongue  
Right on the tip of my tongue  
On the tip of my tongue Look in my eyes and tell me what do you see  
There's a message that I'm sending  
And I hope you receive Words get tangled up in good intentions  
You know what my heart wants to say  
Know what my heart's trying to say Right on the tip of my tongue  
Right on the tip of my tongue  
Right on the tip of my tongue  
On the tip of my tongue Three little words that I want to say  
You'll never know if you walk away I know what you want to hear  
Why do I forget every time you get near Right on the tip of my tongue  
Right on the tip of my tongue  
Right on the tip of my tongue Three little words that I want to say  
You'll never know if you walk away Right on the tip of my tongue  
Right on the tip of my tongue  
Right on the tip of my tongue Right on the tip of my tongue  
Right on the tip of my tongue  
Right on the tip of my tongue
