But a Lie (feat. RVRY) [Radio Edit]

Ahzee

When I saw you with him
You broke my heart into
Everything that I felt
All (the shame?) you put me throughI can't believe my eyes
Right there by your side
I need to let you go go go goRefrain:
How can I dream of us
when are you nothing but a lie
How can I be with you
when it's always on your mind
How can I dream of us
when are you nothing but a lie
How can I be with you
Hold up. Stop f**king with my mind...I'm calling you (when?)
And you're pulling up (this chase?)
All the words that were said
But you never meant a thing
How can I break away
It's never gonna change
I need to let you go go go goRefrain:
How can I dream of us
when are you nothing but a lie
How can I be with you
when it's always on you mind
How can I dream of us
when are you nothing but a lie
How can I be with you
Stop f**king with my mind
..
Stop f**king with my mind...How can I dream of us
when are you nothing but a lie
How can I be with you
when it's always on you mind
How can I dream of us
when are you nothing but a lie
How can I be with you
Stop f**king with my mind...Stop f**king in my mind
