

# Longtime (BBC In Concert)

## Emf

This is the way the world ends  
This is the way the world ends  
This is the way the world ends  
Not with a band You come, you go  
I see you, it snows  
I see you, it's fine  
Let it happen slowly You come and you go  
You've got a life, and that's fine  
But you're here, and you're mine  
I haven't seen you in a long time You come, you go  
I see you, it snows  
I see you, it's fine  
Let it happen slowly And you come and you go  
You've got a life, and that's fine  
But you're here, and you're mine  
I haven't seen you in a long time Gonna make it, gonna do it  
Now it's dark, now it's time  
Gonna make it, gonna do it  
Through the darkness you're mine You come and you go  
I see you, it snows  
I see you, it's fine  
Let it happen slowly And you come and you go  
You've got a life, and that's fine  
But you're here, and you're mine  
I haven't seen you in a long time Gonna make it, gonna do it  
Now it's dark, now it's time  
Gonna make it, gonna do it  
Through the darkness you're mine You come and you go  
I see you, it snows  
I see you, it's fine  
Let it happen slowly And you come and you go  
You've got a life, and that's fine  
'Cause you're here, and you're mine  
I haven't seen you in a long time The way it's going to happen  
It's the way it's going to go  
It's the only way to do it  
It's the only way I know The way it's going to happen  
It's the way it's going to go  
It's the only way to do it

It's the only way I know The way it's going to happen  
It's the way it's going to go  
It's the only way to do it  
It's the only way I know The way it's going to happen  
It's the way it's going to go  
It's the only way to do it  
It's the only way I know
