## D.D Dumbo

Just me and insects now  
And the wind that shakes the building  
I feel like a [?] crack  
In a boiling pot of water Your blood is a million [?]  
Your heart, a thousand dollars  
Seven dwarves to starve the moon  
And everyone is a distant brother My lover, my eyes don't see  
Through an ends the [?] suffers  
[?] body, not at my feet  
Your blood is a million [?]  
Your heart, a thousand dollars  
Seven dwarves to starve the moon  
And everyone is a distant brother  
And everywhere I walk, the ground is a parging color  
I fall and crack my skull  
But I die pleased, and knowing Your blood was a million [?]  
Your heart, a thousand dollars
