

The Bob (medley) (August 1972)

Roxy Music

(ferry)I dreamed last night about your face
Your star shone all night
Over the moon it shone brighter
Star shining so bright
You were so pure not for this world
So gentle and light
How could I hear their stories?
They told me not rightToo many times beautiful
Too many times sad
Too many times wonderful
Too badSpoken: "but when the party was over, and all was quiet and still,
We walked together in moonlight and looked down over the calm lake,
Hand in hand, the stars in our eyes."
