How Will I Know My Love

Annette Funicello

How will I know my love?
How will I know my darlin'?
Whippoorwill, give me a sign.
How will I know he's mine?How will I know my love
When he walks through the pinewood?
Mockingbird tell me for true:
Help me to find him, do.Will I meet him in the autumn?
Will the hills be green with spring?
Will he take my hand in summer,
And make me a clover ring?How will I know my love?
How will I know my darlin'?
Oh, Mr. Moon up above,
How will I know my love?(Instrumental break)Will he take my hand in summer
And make me a clover ring?How will I know my love?
How will I know my darlin'?
Oh, Mr. Moon up above,
How will I know my love?
Oh, Mr. Moon up above,
How will I know my love?
