

Take Me Out

The Wooden Sky

Take me out,
Take me anywhere, I'm around,
I'll meet you anywhere at all, x2
I'll meet you anywhere

Oh I, I Wanna see everything you've seen,
I know how long these nights can be,
when I was dangling at your feet

oh please,
take me some place I've never been,
some place you run to in your dreams,
Some place that's just for you and me,
just for you and me

Take me out,
Take me anywhere, I'm around,
I'll meet you anywhere at all, x2
I'll meet anywhere

In a dream,
Your light came dancing through the trees,
singing songs that I believe,
yeah come and wake me from my sleep,

oh there may come a time,
when I'm lonely here at night,
oh you won't let me know

oh and hands touching hands,
reaching out towards your man,
oh we won't let them, don't forget

Take me out
Take me anywhere, I'm around
I'll meet you anywhere at all x2
I'll meet you anywhere at all
