Janet

The Format

Tearing me apart Somehow I just don't care She?s playing with my heart But Janet?s so aware And people tell me, she keeps telling you lies I guess they wonder how I stand it, oh But when I look in her eyes I know it?s love the way I planned it, I believe in Janet Janet, they don?t understand it The whole world must be wrong I gave my heart to Janet And she won?t lead me on, Janet, oh, Janet There could never be Another girl like Janet It?s only her and me Together on this planet And people tell me, she keeps telling you lies I guess they wonder how I stand it, oh, yeah But when I look in her eyes I know it?s love the way I planned it, I believe in Janet Janet, they don?t understand it The whole world must be wrong

I gave my heart to Janet And she won?t lead me on, Janet, oh, Janet Why can?t they see Without her there?d be no reason to go on and on As long as she stays with me I?ll keep holding on, I believe in Janet Janet, they don?t understand it The whole world must be wrong I gave my heart to Janet And she won?t lead me on Janet, Ja-Janet, they don?t understand it The whole world must be wrong I gave my heart to Janet And she won?t lead me on Janet, they don?t understand it The whole world must be wrong

I gave my heart to Janet
And she won?t lead me on
Janet, they don?t understand it
The whole world must be wrong
