

Stadium Love

Metric

Wanna make a bet
We'll be neck to neck taking off the gloves
Spider versus bat
Tiger versus rat, rabbit versus doveWanna make a bet
Odds are neck to neck taking off the gloves
Spider versus bat
Tiger versus rat, owl versus doveEvery living thing pushed into the ring
Fight it out to wow the crowd
Guess you thought you couldn't just watch
No one's getting outWithout stadium love
Without stadium loveWanna make a trade
Cougar for a snake, wanna fall in love
Wanna make a deal
Angel versus eel, owl versus doveEvery living thing pushed into the ring
Fight it out to wow the crowd
Guess you thought you couldn't just watch
No one's getting outWithout stadium love
Without stadium loveWe've got stadium love
We've got stadium love
We've got stadium love
We've got stadium loveStadium love, love, love, love
Stadium love, love, love, love
