Woah (4x)

Verse 1:

We wanna be closer
Closer to your heart
We wanna worship
The Lord of love
We wanna feel you
Feel your touch
You are in this place
Come Work in us

Chorus:

Holy Spirit Come
Were here to sing Your praise
Fill us with Your love
Set our hearts ablaze
Weâ€™re in this place
To feel your presence
Upon the earth as it
is in heaven
(Woah 4x)

Verse 2:
We wanna hear You
Lord to speak to us
We're ready to give up
Our hearts to You
And accept
Your love and Your grace
You are worthy Lord

Worthy to be praised
