Sands Of Time - Tererai Mugwadi

[unknown]

Zino irema rinosekera warisingadii
Kundinyepera kuti unondida inii
Wasevera usavi hwenhamo
(asi simba, semate,hariperi)
Tsumo dimikira haringatsanangure
Zvawaireva kwandirii
Asi nhasi handichatyee

Chorus
Like sands through the hour glass
Our lives are passing us by
And time can wait for no man
So why put someone through the worst in his own life
Till the hours are well defined

Now I know and im sure
Yes I know
Im letting you go

Nguva dzose ndinorangarira
Mafaro ese awaindipa
(Ooh whyyyy)
Asi chadeuka chadeuka
Nhamo inhamo zvinonaka uchakweva mumwe
Ndangariro chete asi handichakude
Handichatya

Chorus
Like sands through the hour glass
Our lives are passing us by
And time can wait for no man
So why put someone
Through the worst in his own life
Till the hours are well defined

Now I know and im sure
Yes I know
Im letting you go
