

# Sorcerer

## Fire Inc.

I'm tired, I'm thirsty  
I'm wild eyed in my misery  
Timeless in your finery  
A high price for your luxury  
Sorcerer who is the master  
Man and woman on a star stream  
In the middle of a snow dream  
Sorcerer show me the high life  
Come over let me put you on ice  
All around black ink darkness  
Who found the lady from the mountain  
All around black ink darkness  
Who found the lady from the mountain  
Lady from the mountain  
I'm tired I need you badly  
I'm wild eyed in the middle of your dream  
Timeless in your finery  
It's a high price for your luxury  
Sorcerer who is the master  
Man and woman on a star stream  
In the middle of a snow dream  
Sorcerer show me the high life  
Come over let me put you on ice  
All around black ink darkness  
Who found the lady from the mountain  
All around black ink darkness  
Who found the lady from the mountain  
Lady from the mountain  
Won't you tell me who found  
The lady from the mountain  
Won't you tell me who found  
Who found, tell me who found  
Who found, tell me who found  
I'm tired, I'm thirsty  
I'm wild eyed in my misery  
Tired, thirsty, wild eyed in my misery  
In my misery, in my misery, in my misery
