

# No One Else Like You

Adam Levine

Is everything just right  
Don't want you thinking that I'm in a hurry  
I won't stay afraid  
I had this vision that has got me worried 'Cause everyone wants someone  
That's one cliché that's true  
Except you I want no one  
Unless that someone's you It looks like you  
Feels like you  
Smiles like you  
I want someone just like you  
True and through  
Forever blue  
'Cause there's no one else like I hope that you're not bad  
You always said you want a man of passion  
I'm not the hottest left  
There's more than likin' physical attraction You got your special someone  
Between me and you guess who  
Been spending my whole life waiting  
For someone just you It looks like you  
It feels like you  
It smiles like you  
I need someone just like you  
Love me true  
Forever blue  
'Cause there's no one else like I want you in my heart  
I see you in my dreams  
I know I make you mad  
As crazy as it seems  
Just you, yes you I need someone just like you  
Love me true  
Forever blue  
'Cause there's no one else  
There's no one else  
There's no one else  
There's no one else  
There's no one else  
There's no one else  
There's no one else I need your help  
'Cause you're so far

You're so far'Cause you're so far  
You're so far'Cause you're so far  
    'Cause you're so far  
    'Cause you're so far  
        You're so far  
        You're so far  
        You're so far
