

# Where You Are

## Gabriel Antonio

We fell in love from the start  
Well I'll go where you are To the moon, to the sun,  
To the sun shines down... X4We'll dance in the meadows baby,  
Your love, makes me go crazy,  
We'll dance in the meadows baby,  
Your love, makes me go crazy,  
We met, 1-10-13  
Ordinary night,  
Fell in love when you smiled at me,  
And I know you would be,  
Everything I wished for,  
Everything I hoped for...  
Plant a seed, plant a flower,  
plant a rose... You can plant,  
Any one of those.

Where the moon and the sun doesn't shine, let my love be your guiding light  
Where the moon and the sun doesn't shine, just know ill be by your side. We fell in love from the start  
Well I'll go where you are To the moon, to the sun,  
To the sun shines down... X4And I know that I'm not there by your side  
Just know in your heart, I reside.  
And I know that I'm not there by your side  
Just know in your heart, I reside.  
People wait all there lives for a chance,  
I hope one day you'll give me the dance,  
People wait all there lives for a chance,  
I hope one day you'll give me the dance,  
To walk down and then have you all mine,  
Don't worry, I'll wipe them if you cry.  
To walk down and then have you all mine,  
Don't worry, I'll wipe them if you cry.  
Plant a seed, plant a flower,  
plant a rose... You can plant,  
Any one of those. We fell in love from the start  
Well I'll go where you are To the moon, to the sun,  
To the sun shines down... X4Bridge: It's you  
You're always on my mind,  
One day I'll be by your side  
You're a blessing from above Because I know  
You and I can go

Anywhere as long  
As I'm with you  
I'll be fine...We fell in love from the start  
Well I'll go where you are To the moon, to the sun,  
To the sun shines down...
