

# Completely

Michael Bolton

Completely  
Wanna give my love, completely  
I'd rather be alone than be  
In love just half the way  
I want to find someone  
That I can trust Completely  
Wanna give my heart, completely  
To someone who'll completely give  
Their heart to only me  
And when I find that one  
That's when I'll fall in love Completely  
Not half but whole  
With heart and soul, completely  
Not in between  
But everything, completely  
That's the way it's gotta be  
The way I want someone to fall in love with me Forever  
Wanna feel the word, forever  
And know there'll be somebody there  
Forever by my side  
And when that feelin' comes  
That's when I'll give my love Completely  
Not half but whole  
With heart and soul, completely  
Not in between  
But everything, completely  
That's the way it's gotta be  
The way I want someone to fall in love with me It's all or nothin' at all  
For this heart of mine  
And I won't give up this heart  
Until the day I find  
Somebody who can be  
Someone who loves me Completely  
Not half but whole  
With heart and soul, completely  
Not in between  
But everything, completely  
That's the way it's gotta be  
The way I want someone to fall in love with me

The way I'll meet someone to fall in love with meOhh yea  
Ohh
